

## Captain

(starting November/ December 2022)

### The Ship

Clipper Stad Amsterdam sails worldwide as a passenger vessel under Dutch flag for her owners Randstad and the Municipality of Amsterdam. She is an authentic, full rigged Clipper ship. The vessel has a tonnage of 723 GT and carries up to 2200m<sup>2</sup> of sail. The ship has 14 luxury passenger cabins and a spacious 'longroom' for dinners and presentations. She is available for business events (up to 200 visitors), luxury cruises and adventurous journeys for individuals. The crew consists of 30 enthusiastic international professionals.

### The Position:

The captain holds the overall responsibility for the ship, crew and passengers. He maintains an overview of all ship operations, and manages the ship in every aspect. He is the direct manager for the management team on board but also approachable for his crew. He works in close cooperation with the shore office in setting up the ship's sailing schedules and programs and advises with regards to logistics and HR. The captain sails the vessel, but also appreciates giving his officers the chance to develop their skills and experience. He proactively develops suggestions to improve and safeguard the well being of the crew and passengers.
