

Hospitality Manager

Starting October 2026

THE SHIP

The Clipper Stad Amsterdam is a magnificent, full-rigged luxury passenger vessel flying the Dutch flag. We are seeking a dynamic Hospitality Manager to lead our high-end onboard experience. In this role, you will oversee 14 luxury passenger cabins and a stunning Long Room, delivering five-star service for premium business events, elite corporate lunches, and exclusive luxury cruises. Working with an enthusiastic, international crew of 30 sailors (with English as the common language), you will bring world-class service to life across the globe. Your spectacular "office" continuously moves to its premier destination. From exclusive corporate events in Europe and the US to luxury cruises through the Caribbean and the Mediterranean. If you are an adventurous, meticulous hospitality professional ready to manage a premium guest experience on the high seas, we want you on board.

Position:

- Manager of the hospitality department (service, galley and housekeeping)
- Reports to: Captain
- Performs duties in Emergency Response Team
- Holds responsibility for the safety of the passengers during safety drills.
- Ensures full compliance for HACCP and USPH hygiene aspects on board
- Conducts performance evaluations and personal assessments of the hospitality crew.
- Proactively develops initiatives to improve and safeguard the hospitality level
- Collaborates with the chefs and sales department to develop tailored banqueting and catering proposals.
- Oversees the general upkeep of both passenger and crew accommodations.

Profile:

- Management and workfloor experience (at least 1-2 years) in high-level hospitality
- Educated in Hotel Management (intermediate MBO+ or higher HBO)
- Service-minded, able to create a welcoming atmosphere for our passengers
- Teamplayer with a flexible attitude able to adjust to our variety in programs (corporate, adventurous and luxury) and in all weather conditions
- Strong communicative, coaching and teambuilding skills
- Good administrative and organizational skills and ability to prioritize
- Able to deal with stressful circumstances in all weather conditions
- Proficient in Microsoft Office (Word, Excel) and Google Workspace/Drive
- Proficient in the English and Dutch language written and spoken and preferably also German, Spanish, French, Italian.
- Preferably Holding valid certificates STCW Basic Safety, Security Awareness and Crowd Management; Crisis Management, Seaman's book and Medical Certificate for seafarers.

Conditions:

- 1:1 leave-work schedule (6-8 weeks on/off)
- Working on a beautiful full rigged 3-masted sailing ship
- International and enthusiastic work environment
